

SUPPLEMENTAL AMENDMENT
U.S. Application No. 10/540,394 (Q101062)

REMARKS

At page 2 of the Notice to Comply, the Office asserts that the submission is non-compliant under 35 C.F.R. 1.821(e) because a computer readable form copy of the Sequence Listing was not submitted. The Office is incorrect. However, solely to compact prosecution and without prejudice or disclaimer, Applicants herewith provide a substitute Sequence Listing and computer-readable format. No new matter is added. Entry and consideration of the Amendment is respectfully requested.

Respectfully submitted,

William J. Simmons, Ph.D.
